

## Ranch at the Canyons THE TUSCAN STABLES

---

Thank you for your interest in Ranch at the Canyons. We hope our unrivaled world-class views of Smith Rock and amenities can provide the perfect backdrop to host your event.

Ranch at the Canyons is truly one of a kind. Not only is this location set in one of the most beautiful natural wildlife habitats in Oregon, it is located on land that is permanently protected for conservation by the Deschutes Basin Land Trust. Nestled on the Crooked River and with stunning views of Smith Rock State Park, it has served as a filming location for several movies and photoshoots.

Ranch at the Canyons is located in a private housing community. As such, only a limited number of public events are allowed to be held each year.

Ranch at the Canyons provides the ability to tailor your dream event by not restricting the list of vendors. Choose your favorite catering company, hire the live band the two of you love so much and find the perfect selection of desserts...create your perfect wedding day!

Due to the uniqueness of the venue, we do strongly encourage the use of vendors who are familiar with the property to ensure smooth execution on your special day.

Our Tuscan Stables event venue has a maximum capacity of 200 guests (bookings are generally filled 1 year in advance, so we do recommend you plan and book ahead). Personalize your event by adding a tent, flowers, décor, a dance floor, speciality lighting and other accoutrements to bring your dream wedding to life.

Couples have the option between exchanging vows on the lawn in front of the lake or in a rustic corral with sweeping mountain views.
